**SUPREME COURT OF OHIO'S LANDMARK DECISION ON
RELIGIOUS FREEDOM FOR PRIVATE SCHOOLS
IN THE CASE OF LEVI vs. WHISNER**

CAUSE FOR THANKSGIVING!

This is a case where the lower court of the State of Ohio had ordered the parents to take their children out of a Christian day school and put them in Ohio secular schools on the grounds that the Christian school did not conform to the minimum standards as set forth by the secular State Board of Education bureaucrats. Most educators agreed that here was the case which could make or break the private schools in America. Rev. Levi Whisner of the Tabernacle Christian School and 12 concerned parents appealed against the adverse lower court rulings.

Parents and Christian educators now have great cause for rejoicing. The Ohio Supreme Court reversed the lower court decisions and ruled unanimously (6 to 0) in favor of the parents, whom the Court said had a God-given and U.S. Constitutional right to educate their children in a Christian atmosphere, and in favor of the Rev. Whisner whose pupils far surpassed the national average in tests administered to them.
